FARCRY 5
PRESENTS
WE WILL RISE AGAIN
ORIGINAL GAME SOUNDTRACK
MUSIC BY HAMMOCK

SPECIAL THANKS

We loved working with the folks at Ubisoft and the process of reimagining Dan Romer's music. We weren't sure what to expect when we accepted their invitation. The direction they gave us was simple: "Just do what you do... give these pieces the 'Hammock' treatment." It was great to be trusted so much, which made for a wonderful experience. The songs took on their own personas and led us down a path of bliss and beauty. All we had to do was listen and follow.
